

County Tours

Worcestershire Bowling Association respectfully reminds those Clubs wishing to Tour our County that an initial letter requesting permission to Tour is sent to the HON DEPUTY SECRETARY.

Although we have no intent to interfere with the arrangements that you wish to make, we do have many years experience in helping to choose suitable hotels and venues to play.

The County also reminds Worcestershire Clubs wishing to organise Tours to other Counties, that they should seek permission to Tour from the preferred host County. Again that should be done through the HON DEPUTY SECRETARY.

Contact Details are in the Officers Pages
